

26th Week at Washington Global PCS!

Greetings from the Washington Global Team and welcome to a short week due to PTC! This week is filled with events: from a speaker talking about child trafficking to students, to being part of health awareness night, or to having parents talk to teachers during PTC. Here you will find a summary:

Parent Teacher Conference (PTC) on March 8; no classes for students.

The second PTC of the SY 18-19 will take place on Friday, March 8. Parents who are interested in attending PTC should call the main office at (202) 796-2415 and schedule an appointment.

Afterschool Activities

WGPCS offers free aftercare from 3:45 to 5:40 pm every school day. WG also offers different extracurricular activities and clubs from 4:00 to 5:00 pm on Monday, Tuesday, Thursday and Friday. Arts and Craft and Fitness Club takes place on Wednesdays from 2:30 to 3:30 pm.

Student Cellphone Policy

In order to maintain a distraction-free learning environment, students who do not follow Washington Global's protocol of turning their cellphone into staff when they enter in the morning and are found to still have their cellphone during the school day receive an automatic after school detention. The cellphones of the students who do not stay for after school detention will remain at the school until a parent picks the phone up by appointment.

School Supplies

School supplies are essential for students to do well in their classes. In our PRIDE acronym and school-wide policies, P stands for Prepared! Please make sure that your student comes to school prepared with pencils, erasers, loose-leaf paper, pens, notebooks, binders, and any other supplies that your student needs. We hope to see you Prepared!

ANet Testing 3

Our third and final round of Achievement Network (ANet) testing will take place March 11-12 in ELA and Math. These tests prepare students for the rigors of end-of-year PARCC testing, and give the school critical data to support in the development of all students. Please ensure your student is on time and ready to test on those dates. There will be prizes and rewards for students who show the most growth and the best performance on these assessments!

WolfPack PRIDE

Students earn points every period for showing positive values during class, such as preparedness, respect, integrity, discipline, and excellence that become awesome rewards! Due to shortened week, we will have a BIG St. Patrick's Day Fun Friday next week on March 16th for the top Deanslist Earners for the two weeks.

Student Pictures

If your student took a school picture in October, they have received a picture order form (attached with his/her picture) within the past week. If you want to place an order, the payment is due by Friday March 15th. If you have any questions, please contact Ms. Gray or Ms. K.

Global Health Awareness Night

Students and families are invited to WG's healthy evening on Thursday, March 7, from 5:00 to 6:15 pm. Come join us and make smoothies, have some healthy after school snacks or work out with Ms. Diana. Also, you may get a blood pressure check and learn how to properly wash your hands with Ms. Sanfo. We will also give away cookbooks, and have a raffle for Mason jar meals with ingredients.

On Time Policy

Beginning Quarter 3, all students who arrive after 8:45am must stay afterschool to make up work missed from class. Parents will be contacted if their student(s) arrive after 8:45am.

Inclement Weather Policy

Washington Global follows DCPS for any inclement weather conditions that may lead to school closings or delays. Please visit <https://dcps.dc.gov/> for real time information and alerts.

Child Find Policy

Child Find is a legal requirement that schools find all children who have disabilities and who might be entitled to special education services, from birth through age 21. As a part of WGPCS' responsibilities, we will be conducting public awareness activities to inform parents and the community about the availability of special education and related services.
