

Washington Global PCS

WEEKLY NEWSLETTER 9/3-9/6

i-Ready Diagnostic

All students will be taking the i-Ready Diagnostic beginning, Wednesday, September 4, 2019. The i-Ready Diagnostic will assess all students in Reading and Math. A letter will be sent home that will provide you with more insight on the program called *i-Ready Diagnostic & Instruction*, which we will be implementing this school year.

Dean's List Points

Scholars have the opportunity to gain Deans List points in each of their classes, based on factors like behavior, participation, and engagement. Scholars will then be able to use these points to attend "Fun Friday" events and access the school store!

Kids Ride Free Cards

Kids Ride Free Cards will be distributed at the school if you are in need of one. Please have your child come to the main office before or after school if he/she is in need of a card.

MIDDLE SCHOOL TRANSITIONS

7th Grade scholars are showing urgency on the 3rd floor as they transition to their next period. Scholars at Washington Global do not waste any time getting to their classes.

6th Grade Team Spotlight: Ms. Berry

Ms. Berry is the 6th grade Math teacher at Washington Global. Ms. Berry uses the blended learning model, which allows students to work on math at multiple levels while utilizing technology like Google Classroom, IXL, i-Ready, and Prodigy. Scholars in Ms. Berry's class enjoy the fast paced, rigorous curriculum, but also get the opportunity to win the weekly raffle and go to her prize box! Ms. Berry keeps math exciting and relatable as she uses problems based on real world issues.

The IMYC Curriculum

Washington Global uses the International Middle Years Curriculum (IMYC) in our Global Citizenship class. The IMYC focuses on themes and issues that middle school aged students use on a daily basis, such as adaptability, courage, and responsibility.

The IMYC is used in 50 different countries in the world and allows scholars to make connections to different aspects of their world and the greater global community. Students are able to make connections to topics touched upon by students from around the world!

Power School Logins

Ever wonder what your grade is? Well now you do not have to! Today scholars will be going home with their Power School logins. You can login at any time to see what grade your scholar has in any class, as well as any assignments they might be missing.

Dates to Remember

Back to School Night- Wednesday, 9/18 from 4:30pm-7:00pm.

Parent Teacher Conferences- Friday, 10/11

Columbus Day (No School)- Monday, 10/14

Tardy Policy

Students will get tardy passes starting at 8:20. Students who get here later than 8:45 will have to stay after school that same day. If they cannot stay after, then they must be at school at 7 am the following day.
