Dear Washington Global Community:

Mr. Mebane and I wanted to reach out to you all to express that right now is a very difficult time and that Global is here to support our families. Global stands with our communities in grieving the tragic and uncalled for deaths of George Floyd and more recently, Tony McDade. Global shares the hurt and anger about these events and stands by those calling for change.

We understand that this is a very difficult time for our families and students. We wanted to share that we are here to help. We have a licensed social worker, Ms. Jackson, who can counsel anyone needing extra support. She can be reached at the school number (202) 796-2415 and by email at tjackson@washingtonglobal.org.

Additionally, it is important to talk to our children about these events. This article from USA Today is a resource that we have reviewed and wanted to share with you all. <https://www.usatoday.com/story/news/nation/2020/05/31/how-talk-kids-racism-racial-violence-police-brutality/5288065002/>.

Sincerely,

Mr. Mebane and Dr. Torres
